

LOVE K-W

Love K-W is a movement of Christian churches in the Kitchener/Waterloo area committed to being the hands and feet of Jesus

The purpose of Love K-W is to reveal the love of Jesus in practical ways.

"My command is this: Love each other as I have loved you." John 15:12

Join Christian churches and organizations all across K-W working together to make a difference in their communities. For example:

- cleaning up parks
- thanking public servants
- helping serve food, or providing a meal, at a shelter
- doing random acts of kindness
- showing appreciation to firefighters/police/paramedics
- baking cookies for teachers
- bringing flowers to a hospice
- holding a free car clinic for single moms
- starting a community garden
- hosting a BBQ in support of a local charity

The possibilities are endless. You decide what you or your group would like to do. We encourage participants to send us pictures and a short story on what you do or have done, and how it impacts your group or neighborhood.
